GCEs at RHS

LSS students can also study GCEs at Rugby High School (RHS). Occasionally students study subjects there for timetabling reasons, but the following subjects are available to LSS students only at RHS:

DT (Food Technology)

Latin

English Language and Literature (both available as separate GCEs at LSS)

Psychology

Sociology

Additionally, some subjects are offered at both schools but the syllabus (e.g. in History, Religious Education) may vary between schools. In some years less popular subjects may only be offered by one school.

All administration of all subjects taken at RHS by LSS students is undertaken at RHS, although unclaimed exam certificates are retained at LSS.
